Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) Whether on an average only one teacher is available for teaching about 650 students in most of the schools located in the country as large number of such posts are lying vacant in the Central Schools;

(b) If so, the number of such schools in the country identified where only one or two teachers are teaching all the students as reported in `Navbharat Times` dated July 27, 2004;and

(c) The details and facts thereof along with the directives issued by the Government to the Kendriya Vidyalaya Sangathan for filling up the vacant posts?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT(SHRI M. A. A. FATMI)

(a) No, Sir. On an average, a teacher teaches a class of about 30 students in Kendriya Vidyalayas. Out of a sanctioned strength of 34725 teachers, only 2985 posts are vacant. With a view to ensure that adequate teachers are available in Kendriya Vidyalayas all over the countty, 2382 teachers have been employed on contractual basis.

(b) No school under Kendriya Vidyalaya Sangathan exists where only one or two teachers are teaching all the students. Kendriya Vidyalayas located in Rohtak, Nahra, Bhiwani, Paluwas, Sirsa and Jajjar have sufficient number of teachers to teach the classes.

(c) Sangathan has already completed the recruitment process for the year 2004-05, to fill up the vacancies of teachers.
